Requirement Analysis Phase 2

Solution Requirements

Date	29/9/2026
Team ID	SWTID-2026-5649
ProjectTitle	**Implement Client Script & UI Policy (Incident)**

Requirement	How to Achieve
When Impact = High, Assignment Group must become mandatory	UI Policy Action
When Impact = High, Urgency must become read-only	UI Policy Action
When Impact changes to High, Urgency must auto-set to High + show info message	OnChange Client Script
System must NOT allow save if Assigned To is empty when Impact = High	OnSubmit Client Script
System must NOT allow State change directly from list view (Incident > All)	onCellEdit Client Script

When Impact changes from High to Medium/Low, all mandatory/read-only must revert to normal	Reverse if false = true
